ABOUT THE INSTITUTE & ADMISSION OVERVIEW

Welcome to Capital Institute of Health Sciences

Chairman's Message

It is with great pride and a deep sense of responsibility that I extend a warm welcome to all prospective students, parents and stakeholders of our esteemed Nursing Institution. Our institution stands as a centre of excellence in nursing education, committed to producing highly skilled and ethically grounded nursing professionals capable of meeting the growing demands of the global healthcare sector.

Nursing, as a noble and essential profession, requires not only academic proficiency but also compassion, integrity and resilience. We are dedicated to cultivating these attributes through a comprehensive curriculum that integrates theoretical knowledge with rigorous clinical training. Our faculty comprises experienced educators and practitioners who are passionate about mentoring the next generation of healthcare providers.

We take immense care to provide an environment that fosters academic excellence, professional growth and personal development of our students. Our infrastructure, laboratories and clinical affiliations are designed to offer students the best possible exposure and practical experience in real-world healthcare settings.

Our institution also places a strong emphasis on community engagement and ethical practice, encouraging students to develop a sense of social responsibility alongside their professional competencies.

To all aspiring nursing professionals, I offer my best wishes. You are embarking on a path that demands dedication and empathy. We are honoured to accompany you on this meaningful journey toward becoming exemplary contributors to the healthcare profession.

Tusar Kanta Jena
Chairman

CAPITAL Institute of Health Sciences is a premier institution committed to excellence in nursing education.

Established under Baikunthanth Charitable Trust, the institute aims to develop competent, compassionate, and professionally skilled nurses to meet national and global healthcare needs.

>> VISION

To prepare Nurses with highest supremacy in knowledge and skill, to render service to mankind with dedication, devotion and compassion in Hospital and Community. To empower nurses through education to make them competent globally.

>> MISSION

To promote excellence in nursing education by building qualified nurses with passion for quality nursing care and to maintain ethical professional standards. To develop administrative and leadership skills to cope with advancement and challenges of health care Industry.
